

# HUNGRY? Visit the Botley community fridge for free food

St. Peter & Paul Church, next to West Way shopping centre, Botley OX2 9LS

## Disclaimer for people taking donated food

By using the Botley community fridge, I agree that...

- I will make my own judgement as to whether or not the food is safe for me to eat by
  - Checking that the food is still in date (either the use-by date printed on the label or the hand-written label). I will never use packaged food that has passed its 'use by' date, even if it smells and looks good
  - Smelling and looking at the food before eating it (although this is not a guarantee for the safety of the food)
- I will heat up any cooked food until it is steaming hot, and not reheat it a second time
- I will seek medical advice immediately if I feel unwell after eating from the fridge, and also contact the operators of the fridge
- I will not use this food for profit or personal gain

1. Check 'use by' date

2. Smell and look at the food

3. Heat cooked food well, and only once
